

Nemaha Natural Resources District Abandoned Well Cost-Share Program Application

1. Landowner's Name: _____
2. Mailing Address: _____
3. City, State, Zip: _____
4. Home Phone #: _____ 5. Cellular #: _____
6. Well location(s): Legal Description (¼, ¼ Section - Township North – Range East, County)

7. Describe well(s) to be abandoned: (Hand Dug or Cased, Depth, Diameter, Type of Casing)

8. An aerial photo of the mile section is printed on the backside of this form. Please mark the approximate location of the well with an "X" on the photo. (***This is REQUIRED!***)

Additional Requirements:

- a. NNRD approval is required before the well abandonment procedures begin.
- b. The well(s) must be closed according to the Department of Health & Human Services System and Environmental Control Council regulations governing water well abandonment standards and a licensed well driller or pump installation contractor must conduct the work.
- c. The NNRD will pay 75 percent cost-share assistance on approved well abandonment costs up to a maximum of \$500.00 for each cased well and \$700.00 for each hand dug well.
Note: Eligible cost-share does not include payment for removal of any exposed or buried pipes, tanks, pumps, tower, wellhouse or other apparatus.
- d. The landowner has **90 days** to complete work after receiving an approval letter from the NNRD. It is the landowner's responsibility to keep the contractor on schedule.
- e. The NNRD may spot check the well(s) prior to, during, or after proper well abandonment.
- f. A copy of the itemized bill listing materials and labor, a Nebraska Department of Natural Resources "Notice of Water Well Abandonment" form describing the abandonment process and the Citizen Attestation Form must be submitted before the cost-share payment can be processed.

I understand these requirements:
