

INVITATION TO BID

The Nemaha Natural Resources District invites contractors to submit bids for:

**Upper Big Nemaha 7-A
2024 Seepage Control Improvements
GAGE COUNTY, NEBRASKA**

The project consists of the addition of both internal and surface seepage control improvements comprised of various aggregates, rock and conduits.

The project is located in **Gage County, Nebraska.**

Sealed bids will be received by the Nemaha Natural Resources District on or before **10:30 a.m., Monday, December 9th, 2024**, at the District's office located at 62161 Hwy 136, Tecumseh, NE, 68450. Envelopes containing the bids shall be sealed and must be accompanied by a certified check or bidder's bond in an amount of not less than five percent of the amount bid. The check or bond shall be made payable to the Treasurer, Nemaha Natural Resources District as security that the bidder to whom the award is made will enter into a contract to complete the rehab project and furnish the required bonds. Bids will be publically opened and read at the District's office at that time and place.

No bid shall be withdrawn after opening bids without consent of the Nemaha Natural Resources District for a period of 45 days after the scheduled time for closing bids. The District reserves the right to reject any or all bids and to waive any informalities in the bidding.

Plans, Specifications and Bid Documents may be inspected at the office of the Nemaha Natural Resources District, 62161 Hwy 136, Tecumseh, NE, 68450, and will be issued free of charge (along with print house locations if hard copies are desired) by Houston Engineering, 12702 Westport Parkway, Suite 300, Omaha, NE 68138. Electronic copies can be emailed at no charge by requesting them via email to Mike Sotak at Houston Engineering at msotak@houstoneng.com. All bidders are encouraged to request plans electronically to ensure that all addendums, etc. are received prior to the bid date.

This invitation was published in the Lincoln Journal Star on the 24th of November, and the 1st of December, 2024.
