

# Turbocharge Your Soybean-Corn Rotation

## Workshops & Field Labs

Featuring

## Jimmy Emmons

In these afternoon workshops and field labs we will explore soils using magnifiers and digital means. Through hands-on steps, you will gain practical knowledge to examine your soil biota, gauge economic returns and improve your operation. Then, get into the soil pit and field with Jimmy Emmons and other regional experts to put your new knowledge to use. Sponsored in part by NC SARE, No-till on the Plains, UNL Ext. and NE NRCS Demonstration Farm Project this \$70 event is being offered for ONLY \$50 until September 6th.

### Workshop Topics:

- The System to Build Carbon & Revenue
- The Carbon & Health Connection
- Understanding and Applying Digital Scopes to Examine Your Soil Carbon, Nutrients and Health

### Field Labs

- Underground Rhizosphere: Lets Look at the Roots, Nutrients, Carbon in the Soil Pit.
- Let's Investigate the Above Ground Biomass and Nutrient Enhancement to Increase Returns.

**RSVP by Sept. 6 to guarantee your free magnifier!**

**Early Registration \$50, walk-in registration \$60**

*Select the date to see full agenda and registration details*

### September 12

Heineman Farm  
57116 849 Rd.,

Winside, NE 68790

\*Includes grazing demo  
**Scott Heineman**  
402-992-8931

### September 13

McDonald Farm  
944 S. 8th Road

1/2 mile south of Douglas  
Douglas, NE 68344

**Mike McDonald 402-314-1571**

**Jimmy Emmons**

Leedey, OK

*Recognized for conservation practices and land ethics on their diverse 2,000 acre farm and 6,000 acre ranch, Jimmy Emmons and wife, Ginger, are the inaugural Leopold Conservation Award winners for Oklahoma (2017). Focusing on soil health principles and storing water on cropland and rangeland, Jimmy has improved his bottom line. Join Jimmy at one of these Nebraska locations this September to learn about the system it takes to build carbon and revenue! Receive a free smart phone macro lens 15x or hand-held 10x magnifier!*

### September 14

Green Cover Seed  
918 Road X

Bladen, NE 68928

**Green Cover Seed**
